General Information On Tassels & Trims

A catalog of *M. Grace* tassels, trims, buttons, beads and other embellishments follows. Photographs of some of our products fail to show the detail and beauty of our decorative trimmings. These photographs will allow you to view in more vivid detail.

If you desire to customize your own designs, this section will help you choose from the many tassels and other embellishments available from *M. Grace*. In addition, please note that all of these are available for purchase. Pricing can be found in the “Price Sheets” section, but feel free to contact us with any questions.
